Profile-Summary

Frontend Developer with 4 years of experience specializing in Angular, React, JavaScript, and TypeScript for building responsive and scalable web applications. Strong expertise in UI development with Tailwind CSS, Bootstrap, and Angular Material, focusing on performance optimization and clean, maintainable code. Skilled in API development and integration using Node.js, Express, and MySQL, ensuring seamless front-end to back-end communication. Experienced in Agile/Scrum teams, collaborating with designers, backend developers, and stakeholders to deliver features on time. Familiar with DevOps practices including Git, Docker, Jenkins, CI/CD pipelines, and AWS (EC2, S3), supporting deployments and cloud operations.

Work Experience

Jan 2022 – Mar 2025

Flip Health

Software Development Engineer

A company specializing in health technology solutions:

- Led front-end development in Angular and React for healthcare platforms serving 50k+ users, ensuring responsive and accessible UIs across devices.
- Optimized application performance with lazy loading, caching, and code-splitting, resulting in a 30% reduction in initial load time and improved Core Web Vitals.
- Implemented reusable, modular UI components and shared libraries, improving code maintainability and accelerating feature development across multiple applications.
- Integrated REST APIs in Node.js/Express, ensuring efficient data exchange between frontend and backend systems.
- Built RESTful APIs using Node.js, Express.js, and Sequelize ORM with MySQL, enabling reliable back-end functionality and smooth data handling.
- Built automated UI test suites (Jasmine, Karma), resulting in a 40% reduction in regression bugs and increased production release stability.
- Collaborated with designers and product managers to deliver features aligned with user journeys, increasing feature adoption rate by 15%.
- Mentored 3 junior developers, improving pull request turnaround time by 50% and raising overall team code quality.
- Introduced Git workflows and best practices, cutting merge conflicts by 30%.
- Worked with CI/CD pipelines (Jenkins, GitHub Actions) and Terraform on AWS (EC2, S3, Lambda) as part of deployment workflows, developing foundational DevOps skills.
- Contributed to AI-powered automation features, assisting in digitizing healthcare workflows and improving operational efficiency.

Apr 2021 – Dec 2021

NxtWave

Full Stack Developer - Apprenticeship

An educational institution for tech courses:

- Hands-on experience in building full-stack web applications using MongoDB, Express.js, React.js, MySQL, Python, JavaScript, and Node.js.
- Developed multiple mini-projects focusing on CRUD operations and RESTful API design, gaining deep insights into both frontend and backend development.
- Implemented best practices in version control using Git, ensuring streamlined collaboration and project management.
- Built and deployed full-stack applications (e.g., e-commerce platforms, task management tools) that seamlessly integrate frontend and backend technologies.
- Demonstrated expertise in database integration and creating dynamic user interfaces while focusing on scalability and performance.

Technical Skills

- | | | |
|-------------------|--------------------|---------------|
| • Angular | • Angular Material | • Express.js |
| • React | • Bootstrap | • Terraform |
| • HTML, CSS, SASS | • RxJS | • AWS |
| • JavaScript | • Node.js | • Docker |
| • TypeScript | • Jasmine, Karma | • VS Code |
| • Tailwind CSS | • MySQL | • Git |
| • Redux | • E2E Testing | • Agile/Scrum |

Certificates

- [Full stack Developer from NxtWave Disruptive Technologies](#)
- [Node.JS from NxtWave Disruptive Technologies](#)
- [Git, Command Line from NxtWave Disruptive Technologies](#)
- [SQL from NxtWave Disruptive Technologies](#)
- [Python from NxtWave Disruptive Technologies](#)

Education & Languages

University	Osmania University – Bachelor’s Degree Apr 2013 – May 2016. India	
Languages	English	(Fluent)
	Telugu	(Mother Tongue)
	Hindi	(Fluent)
	Deutsch	(A2 - Level)
Hobbies	Fitness Cricket	
Social Skills	Good communication, analytical and problem-solving skills Strong team player, proactive, and adaptable.
